

CANAIMA GIN, A GIN WITH A PURPOSE

BORN IN THE AMAZON. INSPIRED BY NATURE.

Canaima Gin is a unique, premium gin inspired by the rich biodiversity of the Amazon rainforest. Made with sustainably sourced botanicals and crafted in small batches, Canaima is more than a gin—it's a tribute to one of the most magical ecosystems on Earth.

Our gin is made using 19 carefully selected botanicals, including 10 Amazonian ingredients handpicked by local communities. Each sip delivers an unparalleled sensory experience, blending exotic flavors with traditional gin craftsmanship.

OUR COMMITMENT TO THE AMAZON

BORN IN THE AMAZON

Inspired by the world's most biodiverse rainforest, Canaima Gin is crafted using hand-harvested Amazonian botanicals in collaboration with local communities.

A BRAND WITH PURPOSE

Beyond crafting exceptional gin, we actively support indigenous tribes by preserving their ancestral knowledge, creating fair economic opportunities, and funding reforestation projects in the Amazon.

EXOTIC BLEND

A unique mix of rare Amazonian botanicals, carefully selected for their vibrant flavors and distilled in small batches for a one-of-a-kind gin experience.

SUPPORTED BY EXPERTS

Crafted with expertise and endorsed by world-renowned bartender Simone Caporale, who shares our passion for quality and sustainability.

MORE THAN A GIN

Canaima Gin is perfect for classic gin cocktails or bold new creations, delivering extraordinary flavor while making a real impact in the preservation of the Amazon.

FROM THE AMAZON TO YOUR GLASS

HANDPICKED AMAZONIAN BOTANICALS

Indigenous communities harvest each fruit at peak season, respecting nature's rhythm.

JOURNEY TO THE DISTILLERY

Carefully transported to preserve freshness.

INDIVIDUAL MACERATION & DISTILLATION

Each botanical is distilled separately in copper pot stills for maximum purity.

MASTERFUL BLENDING

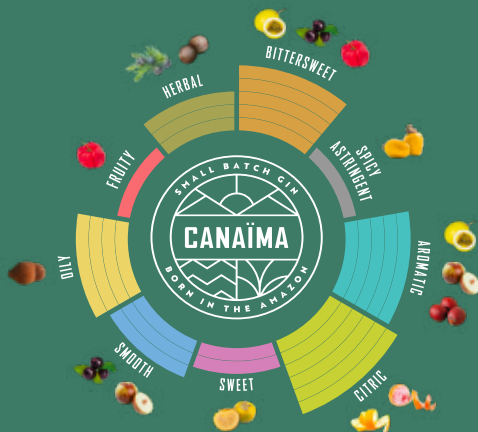

A unique fusion of 10 Amazonian botanicals, 8 classic gin ingredients, and 1 from the distillery's region.

THE FINAL CREATION

The Amazon captured in every bottle.
